INTRODUCING NEW HOLLAND'S LARGEST COMPACT TRACK LOADER

The NEW **C362 Super Boom®** compact track loader offers the rugged construction, power, performance to excel in rental yards and on construction sites. With 6,200-lb rated operating capacity, and greater breakout force, the C362 lifts more, hauls heavier, and moves bigger so you keep ahead of schedule. The patented New Holland Super Boom® vertical lift linkage offers more height and reach, which allows operators to load material into the center of high-sided truck boxes or hoppers. 84" bucket with bolt on edge. Multi-function control, hi-flow hydraulics, air ride seat and demo front door.

– 6,200-lb rated operating capacity @ 50% tipping load (12,400-lb tipping load), 114-HP engine
Long track base of 64.5 inches (74.2 inch wide tracks), Strong bucket tip and lift breakout forces of 12,907 and 12,084 lbs respectively, operating weight 16,660lbs, self leveling with ride control.
