HYDRO DRIVE FIXED DECK

Kubota's Commercial Walk-Behind Mowers are tough enough for every kind of turf. Each mower is built to put precise cutting power in your hands. New ergonomic bull horn control design will help you get your jobs done faster and more comfortably. Integrated Hydro-Gear transmissions produce speeds up to 6.5 mph. The WHF15 model comes with a powerful 15 horsepower Kawasaki FS engine, giving you the confidence to power through any job. Precision-ground, double-sealed bearings and heavy-duty, maintenance-free spindles are engineered to prolong cutting performance and efficiency. With a 1.5 to 4.5-inch cutting height range, the WHF15 is the perfect addition to your fleet or line of equipment.
