

Comfort and Convenience, durability and performance. It's everything you want in a zero-turn mower.

Thanks to three blades, Kubota's patented K-lift pedal & ¼ inch cutting increments, the Kubota Z231BR-48 gives you the efficiency and precision you're looking for. A Briggs & Stratton engine, rated at 22 horsepower, makes its home in the zero turn mower and assists you in finding the perfect speed to mow your lawn. Professional level cutting without the price tag, the Kubota Z231BR-48 is here to take your performance to the next level!
